

UCLA PREMEDICAL PEER ASSOCIATION & MIORA PRESENT

A NIGHT WITH A HEALTH PROFESSIONAL

December 6, at 6:30 pm in UCLA Young Hall CS76

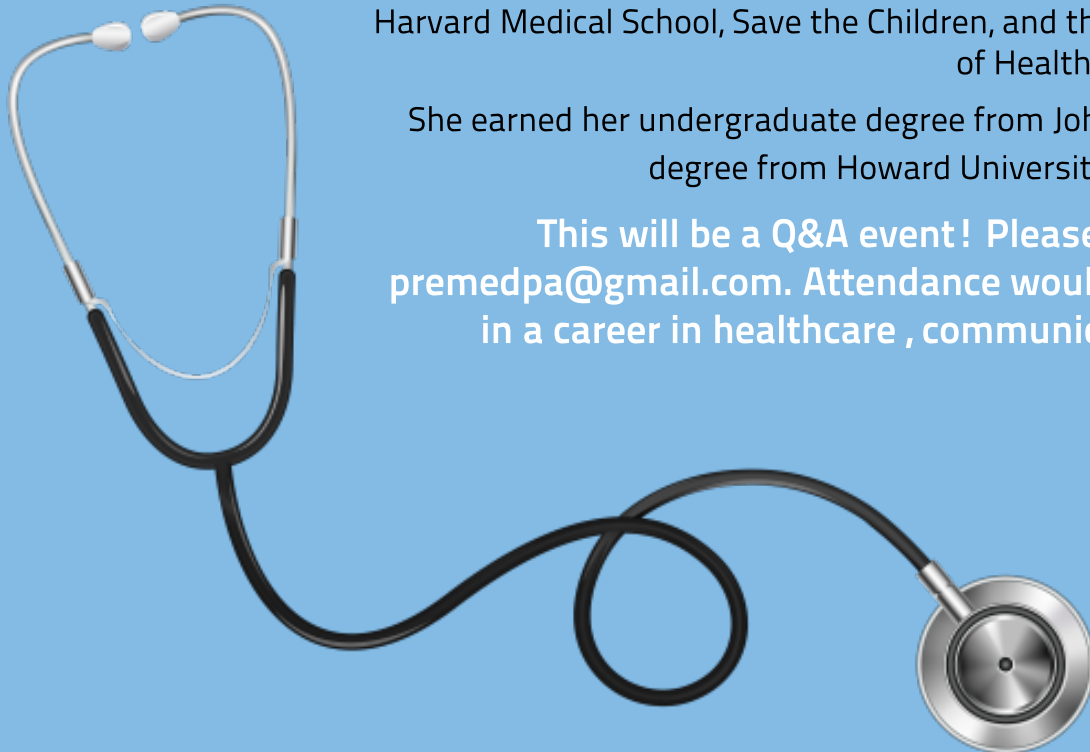

FEATURING: Dr. Freda Lewis-Hall, MD, DFPA
Chief Medical Officer & Executive Vice President, Pfizer

Freda Lewis-Hall leads Pfizer Medical, the division of the company responsible for the safe, effective and appropriate use of Pfizer medicines and vaccines around the world. She is trained as a psychiatrist and works with mental illness in families & communities and health disparities. She is also part of the American Psychiatric Association, the inaugural Board of Governors for the Patient-Centered Outcomes Research Institute (PCORI), the National Institute of Health, the Clinical Trials Transformation Initiative, Harvard Medical School, Save the Children, and the Foundation for the National Institutes of Health.

She earned her undergraduate degree from John Hopkins University and her medical degree from Howard University College of Medicine.

This will be a Q&A event! Please email your questions to premedpa@gmail.com. Attendance would be useful for anyone interested in a career in healthcare, communications or even in business!
